RE Building 866 notification of intent to invoke the Facility Component Removal, Size Reduction, and Decontamination Activities RSOP (Component RSOP)

Dear Mr. Legare

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed your letter dated January 17, 2002, received on January 28, 2002, notifying us of your intent to utilize the Component RSOP for component removal, size reduction, and decontamination activities, not associated with the RCRA Units, to occur in Building 866. We hereby agree that the appropriate non-RCRA related activities may proceed utilizing the Component RSOP.

As stated in your letter, the notification for work to be performed under the Component RSOP for the RCRA units will be provided in a separate letter. Although the non-RCRA activities may proceed utilizing the Component RSOP, specific distinctions between RCRA and non-RCRA components have not been provided. As such, the consultative process will need to be utilized to keep us informed of the decommissioning strategy and activities to occur prior to providing the RCRA notification and prior to performing these activities.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruckek at (303) 692-3328.

Sincerely,

Steven H. Gunderson
